
ADVANCES IN DIGITAL X-RAY IMAGING TECHNOLOGIES THURSDAY, SEPTEMBER 12, 2019 1:30PM - 4:00PM

VJT and Datest invite you to an informative afternoon seminar, **Advances in Digital X-Ray Imaging Technologies** at the Fremont Marriott, 46100 Landing Parkway, Fremont, CA 94538 For hotel reservations, [click here](#)

Join us for a complimentary afternoon seminar and dinner meeting on Advances in Digital X-Ray Imaging Technologies with a focus on Aerospace, Electronics and Additive Manufacturing.

You will hear from industry experts and current customers on topics such as the latest applications in NDT testing, computed tomography (CT) next generation digital technologies, big data and analytics. See demos from **Caresoft** on their latest virtual reality projects and software for analysis and visualization of CT data from **Volume Graphics**.

Then, join us for dinner with the ASNT Golden Gate Chapter with a Keynote Speaker, starting with a Cocktail Hour at 5:00pm, dinner and meeting from 6:00-7:30pm.

ASNT members will receive re-certification points for attending this seminar!
